

Product: Orontas Waterproof Grease

Date created: 01/04/2011

1. Identification of Substance/Preparation and of the Company

Product name:	Waterproof Grease	Supplier:	Orontas Inc.
Product use:	Synthetic grease with calcium		135 Queens Plate Dr.
Issued By:	Orontas Inc.		Suite 600
			Toronto, ON
			M9W 6V7 Canada
			Phone: 416 792 1076
Emergency Telephone:	CANUTEC (613) 996-6666	Manufacturer:	Orontas Inc.

2. Hazard Identification

Not expected to be a health, safety or environmental hazard.

3. Composition / Information on Ingredients

The product contains no ingredients subject for classification, or present in quantities necessary to be stated.

4. First-Aid Measures

Inhalation	Provide rest, warmth and fresh air.
Eyes	Immediately flush with plenty of water for up to 15 minutes. Remove any contact lenses and open eyes wide apart. Get medical attention if any discomfort continues.
Skin Contact	Wash the skin immediately with soap and water.
Ingestion	Do not induce vomiting. If vomiting occurs, keep head low so that stomach content doesn't get into the lungs. To hospital if strong cough or vomiting occurs, or if larger quantity has been consumed.
General	Remove victim immediately from source of exposure. General first aid, rest, warmth and fresh air.

5. Fire Fighting Measures

Extinguishing media	Powder, foam or CO2. Do not use water jet as an extinguisher, as this will spread the fire.
Special fire fighting procedures	Containers close to fire should be removed immediately or cooled with water.
Protective measures in fire	Firefighters exposed to combustion gases/decomposition products should use a respiratory protective device.
Specific hazards	Non-flammable.
Hazardous combustion products	Irritating gases/vapours/fumes.

6. Accidental Release Measures

Personal protection	Wear appropriate personal protective equipment - see Section 8. In case of spills, beware of slippery floors and surfaces. Avoid inhalation of vapours and aerosol spray.
Environmental protection	Dyke to prevent entering any sewer or waterway.
Spill cleanup methods	Absorb in vermiculite, dry sand or earth and place into containers. Collect in containers and seal securely. Waste treated in accordance with section 13

Product: Orontas Waterproof Grease

Date created: 01/04/2011

7. Handling and Storage

Usage precautions	Wear appropriate personal protective equipment - see Section 8. Spillage causes slippery floors and tools. Avoid inhalation of vapours/aerosoles.
Storage precautions	Keep in cool, dry, ventilated storage and closed containers. Keep in original container. Store at temperature below 50°C.

8. Exposure Controls/Personal Protection

Process conditions	Provide eyewash station.
Ventilation	No particular ventilation requirements
Respirators	No specific recommendations.
Protective gloves	For prolonged or repeated skin contact use suitable protective gloves. Use protective gloves made of: Nitrile. Neoprene. Time of breakthrough is not known, change gloves regularly.
Eye protection	Eye protection normally not required.
Other Protection	Wear appropriate clothing to prevent any possibility of skin contact.
Hygienic work practices	Wash at the end of each work shift and before eating, smoking and using the toilet.

9. Physiological and Chemical properties

Colour	Beige
Solubility description	Insoluble in water.
Density @25°C	<1000 g/cm ³
Flash point	>150°C

10. Stability and Reactivity

Stability	Stable under normal temperature conditions and recommended use.
Conditions to avoid	No known hazardous reaction products.
Hazardous decomp. products	No hazardous decomposition products are emitted at recommended use.

11. Toxicological Information

Inhalation	Vapour may irritate respiratory system or lungs.
Ingestion	Nausea, vomiting.
Skin	No specific health warnings noted.
Eyes	May cause temporary eye irritation.
Route of entry	Skin and/or eye contact.

12. Ecological Information

Ecotoxicity	Not regarded as dangerous to the environment. This does not, however, rule out the possibility that large or frequent smaller emissions of the product may be harmful to the environment.
Mobility	The product is insoluble in water and will spread on the water surface.
Bioaccumulative potential	Unknown
Persistence and degradability	The product is biodegradable

Product: Orontas Waterproof Grease

Date created: 01/04/2011

13. Disposal Considerations

Product is not considered hazardous waste.

Disposal must be according to applicable federal, state, or local safety, waste and environmental regulations.

The product packaging must be disposed of in the same manner as the contents.

14. Transportation Information

Not classified as dangerous goods (ADR/RID, IMDG, IATA/ICAO)

15. Regulatory Information

EU Directives

67/548/EEC, 1999/45/EC, 2001/58/EC, 2008/58/EC (REACH), 1272/2008/EC (30ATP)

16. Other Information

The information in this data sheet is considered to be correct according to present knowledge and experience, but there is no guarantee that it is complete. It is therefore in the user's interest to ensure that the information is sufficient for the area it is intended for.
